Introduction
to social care

Start your social care journey today!

Are you interested in a career in social care? We're offering a free, online three day programme for people living in Wales, to give them an idea about what working in social care is like. When you start you will receive a workbook, plus support from tutors and a work coach.

The topics include:

- roles within social care
- duty of care, risk and safeguarding
- Code of Professional Practice for Social Care
- Social Services and Well-being (Wales) Act 2014
- communication and barriers
- promoting independence
- equality, diversity and equity
- personal resilience and well-being
- consent and confidentiality.

Once you've completed the programme, you'll have access to a work coach offering ongoing support with:

- work readiness
- finding the right job, training or volunteering opportunity
- workshops on CV building, application form writing and interview skills.

If you're interested in learning more or are thinking about a career in social care, join our programme and start your social care journey today!
